## CHAPERONE \* ACKNOWLEDGEMENT OF RESPONSIBILITY

In order to ensure a pleasant vacation and a satisfying cruise experience for all guests on our ships, group chaperones are responsible for enforcing these rules for their group members.

- ♦ The legal drinking age onboard is 21 and is strictly enforced, including the purchase of drinks or bottles of liquor by adults for minors. Possession of alcohol by a minor will not be tolerated and any found may be confiscated (even if found in cabin).
- ♦ Purchase, possession and consumption of drugs is illegal.
- ♦ No abusive or offensive language should be used to other guests or to staff and crew.
- ♦ Large radios ("boom boxes") are not permitted on board.
- ♦ Headphones must be used with radios on deck.
- ♦ No running in the hallways.
- ♦ No noise in the cabin areas after 11 PM.
- ♦ Excessive disturbance on board the ship will also result in loss of damage/student guideline deposit.
- ♦ Student curfew is 1 AM for all guests under the age of 18

Failure to comply with these guidelines will result in the offender(s) being removed from the ship to make his or her own way home. Alternatively, the disruptive guest(s) may be confined to their stateroom for the duration of the voyage.

For senior classes, all guests under the age of 25 must pay a damage deposit of \$50.00 per person with their final payment. In the event of damage to the ship or property on board or if any costs are incurred as a result of inappropriate behavior, including excessive disturbance to other guests, charges for repairs/replacement or other costs incurred will be assessed against the entire group damage deposit.

I understand that, as the group chaperone, it will be my obligation to see that my students/young people behave in a civil manner and adhere to the above guidelines during the cruise.
